

Red Hill Council Meeting: September 15, 2005 7:10

7:10 Call to order

Present: Dorothy, Mike, Greg, Chris, Scott

AGENDA ITEMS: No formal agenda, open discussion:

Dorothy:

Dorothy is in the process of negotiating with Ann Broadhurst for hiking access for the RMYC after they are done next week. The property is located out by powerlines. An issue that Ann brought up is that the neighbors are getting concerned about running into somebody on the way up to the trailhead. They would like us to find a way to bring the trail down to the bottom of the hill. Should discuss alternative trail access from parking lot to main trailhead to get people off of the road.

Crew is meeting at 12:00 noon on Sunday at parking lot. Dorothy is going to hike in with the crew and is going to camp the first night and walk out with the lamas. Dorothy: We should make a mid-week visit out there. Crew leader's name is Josh.

We should hold a party on Sept. 23rd in the evening on Friday after they are done to show thanks. Dorothy will try to get a business to donate something such as passes from the Hot Springs Pool. She will keep us posted.

Dorothy ordered counters! She bought 2 counters and 2 data loggers.

Need to come up with a trash strategy for removal of trash from trash cans. Dorothy: We should pull trash can at 3 poles, so people will pack their stuff out. Chris agrees, he has hauled as much as 6 bags of trash out at once.

Trails Illustrated and Mike Shook's trail map are both out. Neither map hardly mention the Red Hill area. Dorothy will bring these maps next meeting. Dorothy will bring a copy of the new BLM's map to replace the current Red Hill Map for us to look over. We still need to restock the map holder at the trailhead. Greg suggests that we put the website on the new maps, so people will visit the site and learn about upcoming trail projects.

Greg:

Post office box may have expired, we may need to pay for another year. Greg is getting mail forwarded to his P.O. Box. Scott will head over there to check what's going on. Greg reports that we have approx. \$14,500 in the bank. Greg will contact Davis about cutting a check to the RYMC crew.

Sunday: Chris, Davis, Greg, and whoever else will meet at the parking lot 3:00 to head up to visit the youth corp. and set them up. Biking in. Will have a demonstration on what we're looking for on Sunday.

Chris:

Randy, Chuck, and Chris are heading up tomorrow at 3:00 to pin flag corners and tighten other flagging. 4' corridor, and 18" - 24" of tread for trail specs. Rocks: Scott - leave most rocks that are firmly into the ground, just take away loose stuff.

Other remaining trail projects: Scott may have some time next Sunday afternoon & the following weekend (Oct. 1st). Bogus needs some work still.

Adjournment: 8:55
